Subject: PRESS RELEASE 05/15/15 - Road Closures - Lindsey Street

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: May 15, 2015

Contact: Mark Daniels, City Utilities Engineer, (405) 366-5443, mark.daniels@normanok.gov

ROAD CLOSURES–LINDSEY STREET

McKee Utility Contractors, under contract with the Norman Utilities Authority, is currently installing a new 24-inch waterline along Lindsey Street from 24th Avenue SW to Berry Road. This work will require temporarily closing Lindsey Street East of the intersection of 24th Avenue SW Avenue and Lindsey Street to install waterline crossings at various locations. In an effort to minimize disruptions, many of these crossings will be performed during the night and evening hours.

Weather permitting, Lindsey Street will be closed between Lindsey Drive and McGee Drive to perform work beginning at 7:00 pm and reopening at 7:00 am for the period from Monday, May 18th to Friday, May 22nd. Warning and detour signs will be placed to assist the motoring public. Drivers are urged to use alternate routes via 24th Avenue SW to Boyd Street to Berry Road.

Other street closures will be issued as required during project construction. Weather permitting, the Lindsey Street Waterline Improvements should be complete by September 2015.

Contact Mark Daniels, City of Norman Utilities Engineer, at (405) 366-5443 or mark.daniels@normanok.gov with questions.
